

Class book pages 52 and 53.

5

Lesson 7

Let's explore!

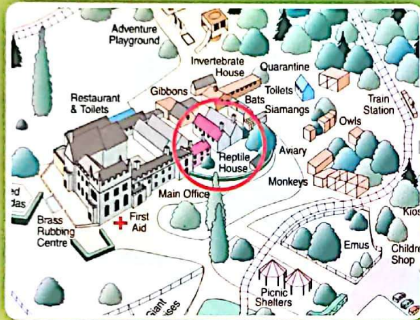

1 Read and listen.  CD2 34

2 Answer the questions.

Where are Keisha and Jack?
Which animals do they like?

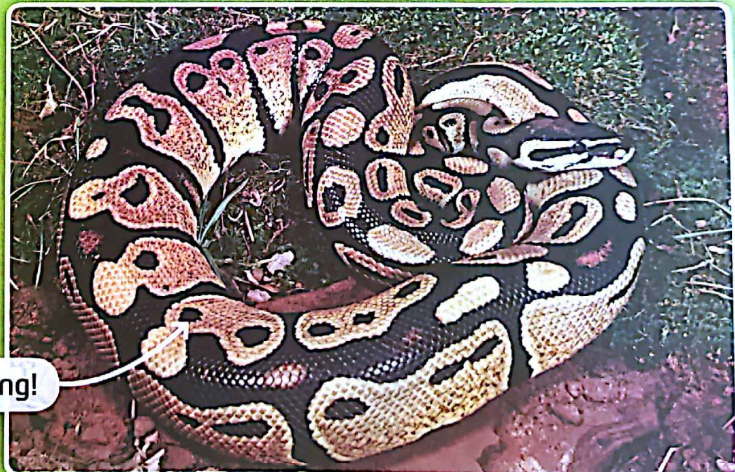

1 Keisha

Here's a photo of Jack and me.
We're at a wildlife park.
Look! There are lots of animals.
I like butterflies and Jack likes
pythons.

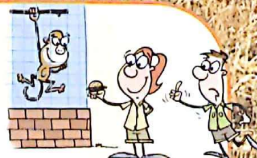

2 Keisha's photos

Here's a snake. It's a python.
It's eight metres long.
It can eat small animals, for
example birds and monkeys.
It can swim too!

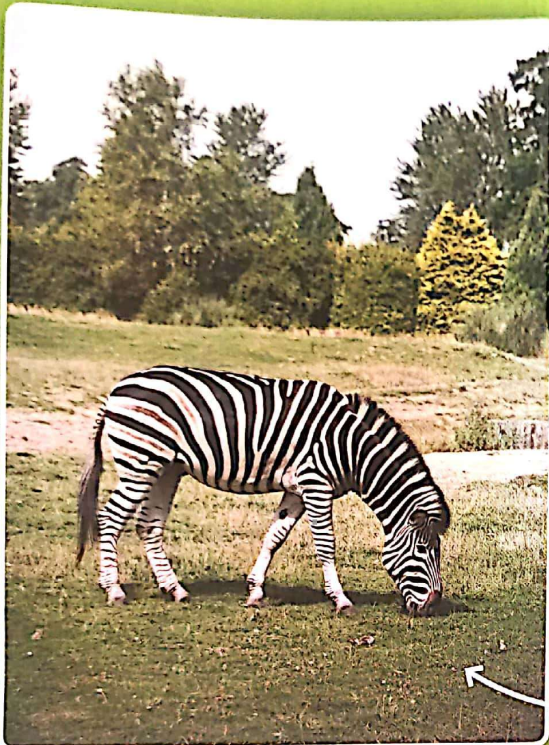

A good explorer

... protects animals.
Don't give them your food!

3 Keisha's animal facts

Here's a zebra. It's from Africa.
It eats grass and leaves.
It's white with black stripes.

4 Keisha's favourite animal

This is a Morpho butterfly.
It's blue and very big.
It's got six legs and four wings.
The Morpho butterfly is from
Central and South America.
It's my favourite butterfly.

leaves

grass

Watch Keisha
and Jack!

DVD

1 Look at Keisha's page again and find. Say the number.

a a black and white animal b a long animal c a blue animal d a map

Lesson 8

5

2 Listen and repeat. Then practise.  CD2 35

What's your
favourite animal?

A python.

Let's talk!

3 Now do the *Explorer's review*.  **ACTIVITY BOOK** page 53
